Skills

Energetic team-player who thrives in a collaborative environment bringing a variety of skills to the table:

- Programming Languages:
 - Python, C, C++, and ARM Assembly
 - Currently teaching myself HTML, CSS, and JavaScript
- Software-related:
 - Data Structures and Algorithms

Education

McMaster University | Bachelor of Engineering | 2020 - 2025

- Faculty of Mechatronics, Robotics, Automation Engineering and Management
 - Mechatronics Engineering and Management is a five-year long program that instills all the engineering skills required plus communicational, project management, and leadership skills.
- First year GPA (12-point scale) – 11.9
- Member of International Honour Society
 - Invitations are only sent out to those who were in the top 15% of their program.
- Was in the top 5% for the Wind Turbine Blade project

Lorne Park Secondary School | High School Diploma | 2015 - 2019

Work Experience

Carpenter

May 2021 - Present

Freelance

- Worked with a team to build additions to a variety of homes.
- I must think quickly on my feet to maximize efficiency as we were always on a tight schedule.

Contractor

April 2020 – May 2021

Self-employed

- Managed a team and coordinated a variety of tasks such as painting, power washing, and eavesdrop cleaning.
- I found my customers going door to door marketing myself and my services.

Technical Assistant

May 2017 - Present

Kidex Academy, Oakville, Ontario

- Managed technical aspects of the daycare centre including the construction and editing of their website.
- Managed HiMama application including fixing technical problems to make sure parents received pictures and updates about their kids on time.

Guest Experience Leader

Sept 2017 – Feb 2019

McDonald's, Mississauga, Ontario

- Promoted to GEL position following a good track record in various tasks including preparing food/beverages, taking orders, and managing my station.
- Worked in a team environment helping keep the staff on task along with serving customers.
- Made sure that customers were always satisfied by doing a routine check of the dining area.
- Mentored new staff members, and helped them understand their duty on the floor

Extra-Curricular Activities

Model United Nations

2015 – 2019

- Lots of public speaking and debates were done at these events.

Supervisor for Future Leaders Program

2015 – 2019

- Was initially chosen to be one of the future leaders, then every year after I helped run this program.

OFSAA Champion

2018

- Defensive tackle on the Lorne Park Spartans
- Helped my team win ROPSSAA and OFSAA

Mentor Program

2017

- Helped “mentor” the new students by making them feel welcome, and I helped them out in any way I could.
